# ARKAN AL AFDAL CONTRACTING COMPANY

## Building Excellence in Saudi Arabia

Established in 2021, Arkan Al Afdal Contracting Company delivers expert construction services across the Kingdom of Saudi Arabia, providing innovative solutions and high-quality workmanship aligned with Vision 2030. We are deeply committed to supporting Saudi Arabia's ambitious construction and infrastructure development and strive to exceed expectations through sustainable practices, community investment, and the development of a skilled Saudi workforce. From initial design to final handover, building a better future for the Kingdom is central to our operations.

### Vision

To be the leading Saudi Arabian construction company, renowned for excellence, innovation, and sustainable development, contributing to the advancement of Vision 2030 goals.

### Mission

To deliver exceptional, cost-effective construction projects that meet the highest international standards, completed on time and within budget. We achieve this through collaboration among our skilled professionals, who are dedicated to surpassing client expectations.

### Goal

Our key goals include expanding our operations sustainably across Saudi Arabia, fostering long-term partnerships, and creating a positive impact on the communities where we work. We are actively investing in training and development to build a highly skilled and motivated Saudi workforce.

### Strategy

Our strategy centers around building strong client relationships, attracting and retaining top talent, embracing technological advancements, and prioritizing sustainable practices. We invest heavily in research and development to explore innovative construction techniques and materials.

# CEO Message

At Arkan Al Afdal Contracting Co., we are driven by a commitment to excellence in every project we undertake. Our highly skilled team, experienced in Engineering, Procurement, and Construction Management, leverages innovative project intelligence to consistently exceed expectations.

Our continual learning and development program ensures our team remains at the forefront of construction industry best practices. We prioritize the development of Saudi Nationals, fostering a skilled workforce capable of contributing to Saudi Arabia's ambitious Vision 2030 goals. This commitment, coupled with the latest technologies, enables us to deliver projects on time and within budget.

Our team's dedication, attention to detail, collaborative spirit, and unwavering professionalism ensures transparent and trustworthy relationships with clients, vendors, and subcontractors. We are proud of our five years of market experience in the Kingdom of Saudi Arabia, and our recent diversification into diversified innovative technologies in construction, infrastructure, industrial materials, industrial security systems, and global collaboration further demonstrates our commitment to growth.

Our clients repeatedly choose us because of our consistent delivery of high-quality, safe, and timely projects, successfully meeting their budget and scheduling needs. Arkan Al Afdal Contracting Co. is committed to not only fulfilling client requirements but consistently exceeding them.

Our success is rooted in our core values: integrity, innovation, and sustainability. We are dedicated to creating a positive and lasting impact on our clients, employees, and the communities we serve, contributing to the bright future of Saudi Arabia.

**MUHAMMAD ADNAN BASRA - CEO**

# About Us

Arkan al Afdal Contracting Company is a Saudi based construction company established in 2021. We provide our expertise across the construction industry, following unique standards and drawing on in-depth experience inspired by Saudi Arabia's Vision 2030 for the construction sector.

Our services are of the highest standards, with a commitment to quality workmanship. We have a highly qualified team of professionals with extensive experience and expertise in Engineering, Procurement & Construction. This allows us to handle every project with an innovative, intelligent approach to outperform on every job.

Continuous learning and development is a core part of our culture. We are dedicated to ongoing improvement, always striving to enhance our capabilities and deliver even better results for our clients.

Developed in short span of time and executed multiple projects which resulted us in securing the highest classification "Class-1" from MOMRA

Supporting the growth and development of Saudi nationals is a top priority for us. Our Saudization program is a major focus, as we work to apply our expertise in ways that uplift the local workforce and contribute to the Kingdom's progress.

Our team is fully devoted to achieving the industry know-how, talent, and latest technologies required to ensure our projects flourish within budget and on schedule. We have a high degree of professionalism, attention to detail, cooperative spirit, and commitment to building trust and loyalty with our clients, vendors, subcontractors, and other stakeholders.

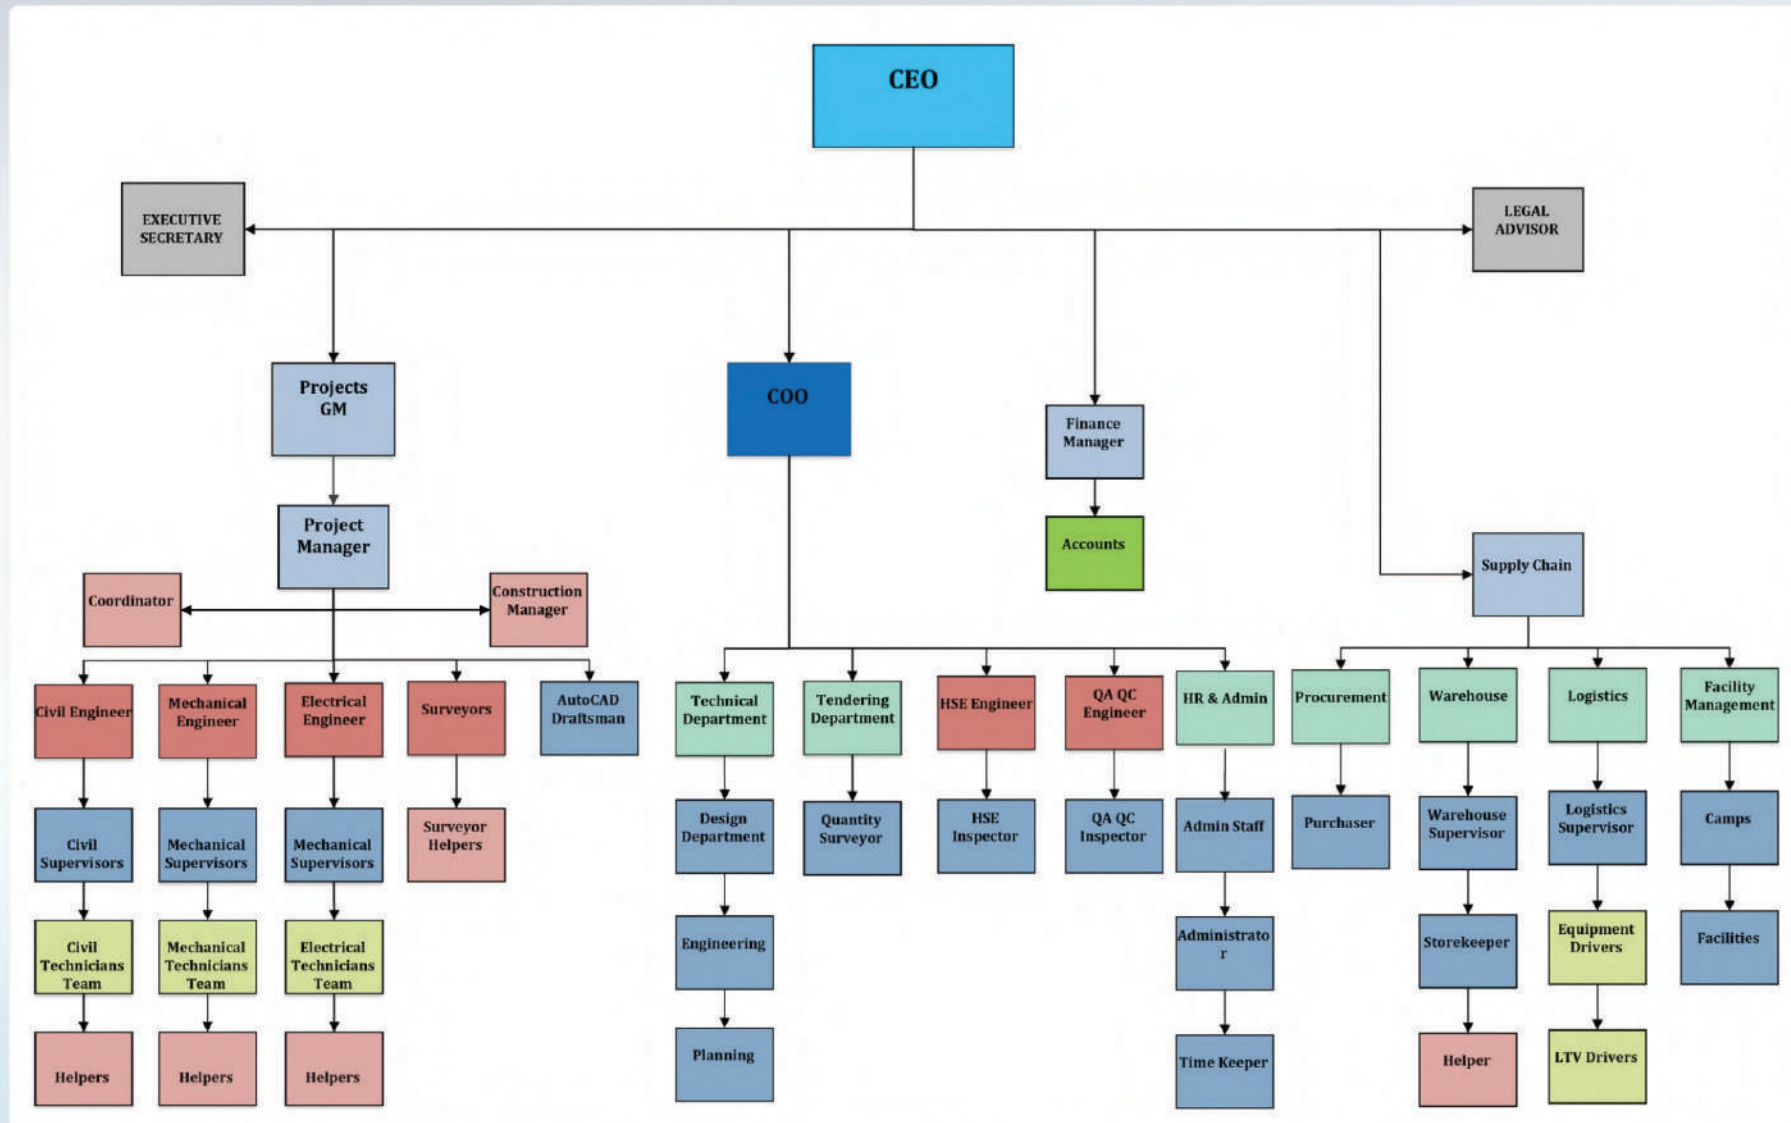

# Core Values & Business Ethics

At Arkan Al Afdal, our core values form the foundation of everything we do. Built on a strong base of teamwork that brings together Saudi and international experts, we create value through strict adherence to the Kingdom's regulations. Our commitment to integrity and transparency ensures accountability in all our dealings, while our relentless pursuit of excellence drives us to exceed expectations through innovative construction techniques and sustainable practices. Through regular team collaboration, meticulous documentation, and open communication with clients, we foster long-term partnerships built on trust and mutual success.

3899, 3901, 3903, 3905, 3907, 3909, 3911, 3913, 3915, 3917, 3919, 3921, 3923, 3925, 3927, 3929, 3931, 3933, 3935, 3937, 3939, 3941, 3943, 3945, 3947, 3949, 3951, 3953, 3955, 3957, 3959, 3961, 3963, 3965, 3967, 3969, 3971, 3973, 3975, 3977, 3979, 3981, 3983, 3985, 3987, 3989,

# Our Services & Expertise

## Building Construction

Commercial, residential, low, mid and high-rise structures. Design-build, EPC, and turnkey contracts.

## Infrastructure

Roads, highways, bridges, flyovers, interchanges, underpasses, and culverts. Site preparation, earthworks, piling, and stabilization works.

## Utilities & Networks

Electro mechanical systems, pipelines, sewerage systems, water treatment, telecommunication, electrical networks, HVAC systems, and automation works.

## Specialty Services & Management

Metal works, trench construction, asphalt paving, landscaping, hardscaping, and comprehensive facility operation and maintenance services.

# Major Accomplishments

1

## Construction Projects

Successfully completed contracts exceeding 200 million SAR across various regions of Saudi Arabia.

2

## Infrastructure Projects

Completed projects totaling over 108 million SAR, with an additional 50 million SAR in projects currently underway.

3

## MEP Projects

Projects valued at over 97 million SAR are nearing completion in 2024, alongside ongoing projects worth 45 million SAR.

4

## Operation & Maintenance Projects

Completed contracts exceeding 60 million SAR, with 25 million SAR in ongoing projects.

# Our Workforce

**1500+**

## Employees

Diverse workforce from over 12 nationalities.

**35%**

## Civil Structures

Percentage of our construction manpower dedicated to civil structures.

**65%**

## Other Specialties

Includes MEP, utilities, industrial, O&M team and specialized construction roles.

# Our Equipment Fleet

## Heavy Equipment

Fleet of 35+ units including mobile cranes (50-300 ton capacity), excavators, bulldozers, and wheel loaders from globally known manufacturers

## Transport Fleet

Over 60 vehicles including dump trucks (5-30 ton capacity), heavy-duty trailers, and specialized material handling vehicles with mobile cranes

## Specialized Tools

Complete set of 15+ units featuring concrete pumps, Asphalt mixers, soil compactors, and other special equipment for the execution of projects

## Power Systems

Infrastructure support including 15+ generators (50-500 KVA), air compressors, and comprehensive electrical testing equipment

# HSE Compliance

Arkan AlAfdal Contracting Co. is unwavering in its commitment to the highest health, safety, and environmental (HSE) standards. We prioritize the well-being of our employees, clients, contractors, suppliers, and neighboring communities. Our comprehensive HSE Policy guides our actions, strictly enforced through regular inspections, audits, and continuous training.

Employee HSE awareness is paramount. Arkan delivers comprehensive HSE training across all projects and departments. Management conducts regular site visits and cross-functional inspections to ensure policy compliance and effective communication. Training includes safety briefings, emergency response drills, and robust hazard identification and risk assessment.

Our rigorously implemented and monitored HSE annual Training Plan includes an in-house HSE Training Center for ongoing workforce development.

**Safety Observation Report System:** Arkan uses a daily Safety Observation Report System to track HSE practices. This system facilitates timely documentation and resolution of issues, fostering collaboration between HSE personnel and project management. It promotes a strong safety culture by reinforcing positive safety behaviors.

# Quality Compliance

At Arkan AlAfdal Contracting Co., our unwavering commitment to quality is the cornerstone of our success. We achieve this through a multi-faceted approach. Our projects, ranging from infrastructure developments exceeding 108 million SAR (with 50 million SAR in ongoing projects) to MEP projects nearing 97 million SAR completion, all adhere to a robust CPM framework. This framework fosters a high-performance culture, promoting continuous process improvement and collective responsibility. We define Key Performance Indicators (KPIs) through Balanced Scorecards/OGSMs integrated into our Quality Management System, ensuring we meet – and exceed – client expectations. For example, our HSE annual Training Plan and daily Safety Observation Report System directly contribute to maintaining consistently high standards across all operations.

# Design Capabilities

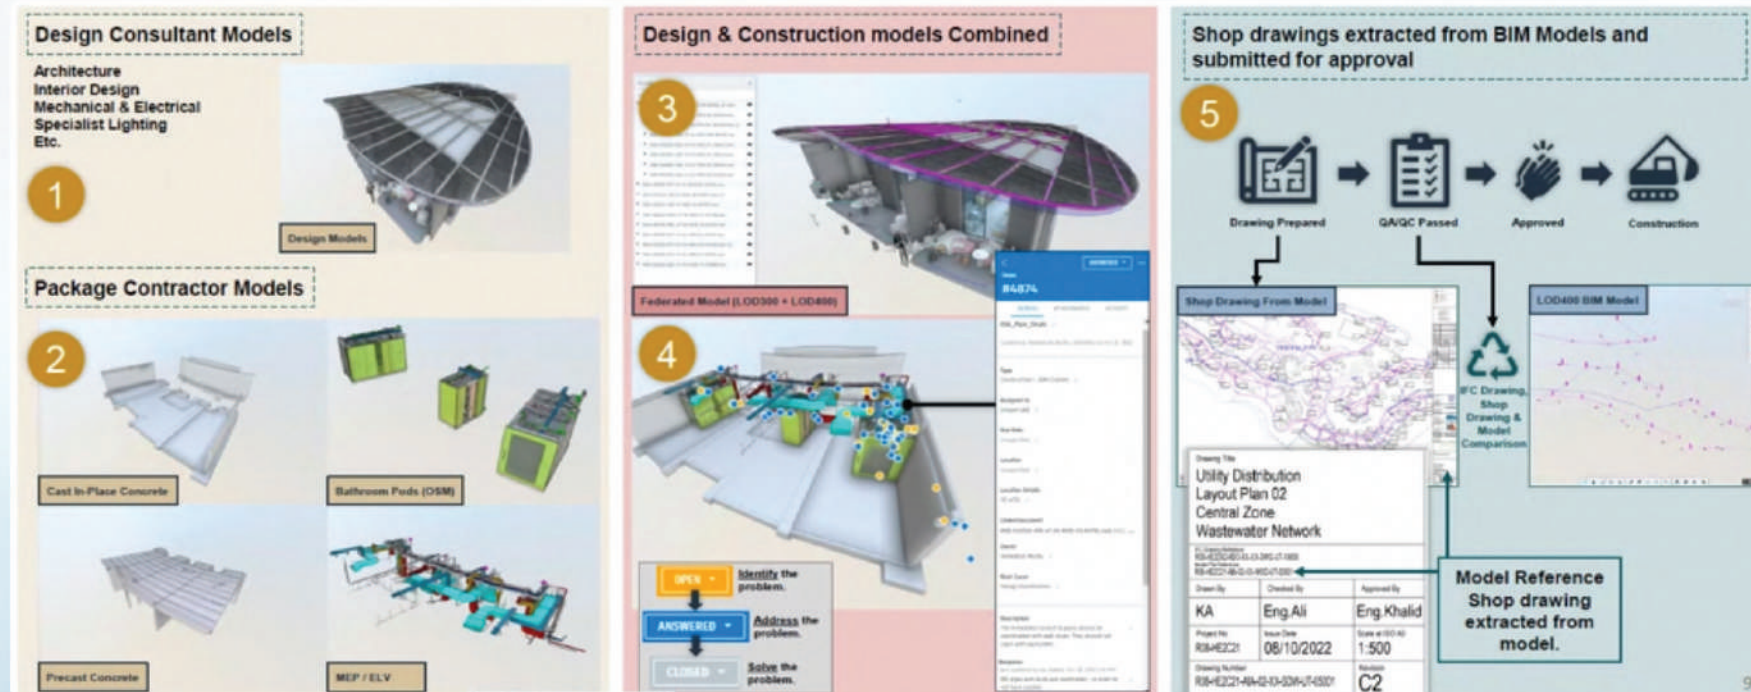

Arkan AlAfdal Contracting Co. offers comprehensive design services for innovative and sustainable civil structures, encompassing MEP, utilities, industrial, and specialized construction projects. Our solutions are tailored to meet each client's unique needs. All "LOD300 D&B Design Drawings" and "LOD400 Package Shop Drawings" are generated from carefully controlled BIM models, requiring an approval process to ensure accuracy and intended use.

## BIM360 Workflow

Models are developed and coordinated using BIM360 to streamline workflows and prevent delays.

## Aconex Record Keeping

Approved models are submitted to Aconex for permanent record.

# Design & Engineering Capabilities

ARKAN provides comprehensive in-house design and engineering solutions, leveraging cutting-edge technology and expertise to deliver exceptional results.

## Comprehensive Design Solutions

Expert in-house team delivers infrastructure, substructure, and superstructure design, optimizing costs through value engineering and innovative technologies.

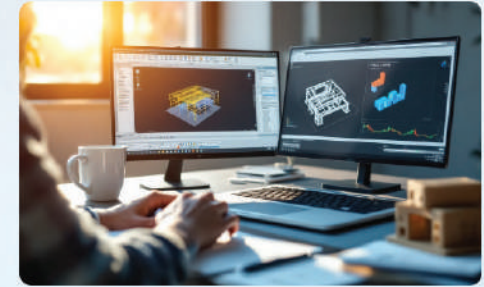

## BIM Excellence

Collaboration with leading international BIM consultants using Revit for precise specifications and IFC models. Supported by BIM 360 and Aconex for seamless coordination.

## GIS & Documentation

State-of-the-art GIS services for accurate as-built documentation, meeting highest client standards. Compliant with ISO-19650 and PAS-1192 standards.

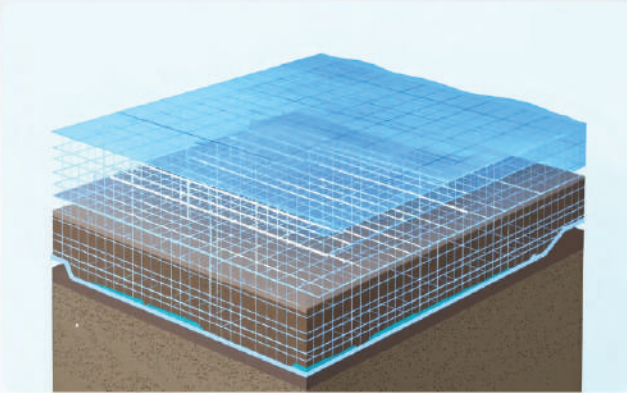

## Advanced Software Suite

Comprehensive toolkit including AutoCAD 3D, ETABS, Revit, Tekla Structures, and Robot Structural Analysis for precise design and modeling.

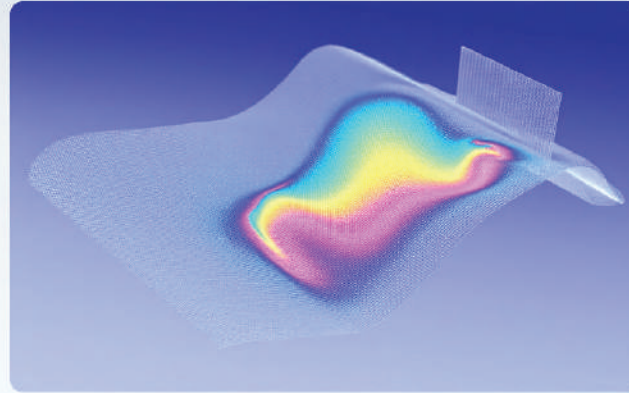

# Deep Infra Simulations

Arkan AlAfdal Contracting Co. utilizes advanced deep infra simulations to optimize project design, mitigate risks, and enhance efficiency.

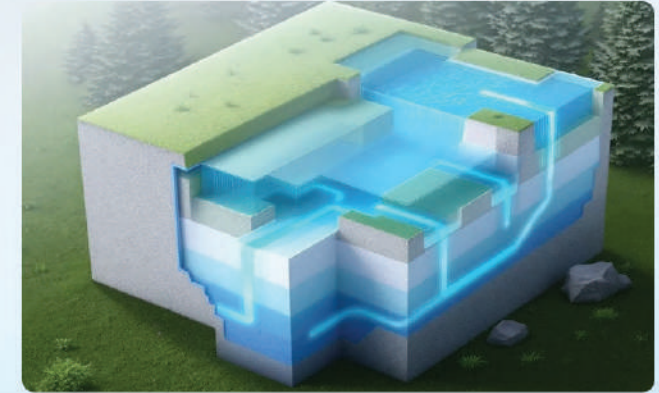

## Geotechnical Analysis

Detailed subsurface modeling and soil behavior simulations to assess foundation stability and underground conditions

## Structural Analysis

Advanced structural simulations to evaluate load distributions and structural integrity under various conditions

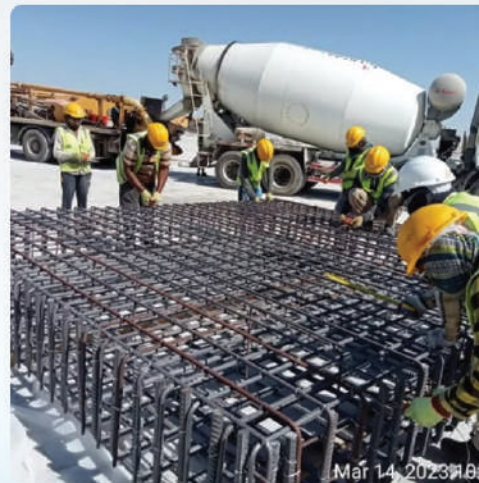

## Infra Modeling

Comprehensive water flow and drainage simulations to optimize infrastructure design and prevent water-related issues

# 10 Years Road Map

1

## 2030: Vision Achievement

Establishing ourselves among Saudi Arabia's elite top 10 contractors, exemplifying Vision 2030's transformational success through innovation and excellence

2

## 2027: Global Expansion

Launching strategic international operations, successfully completing IPO, and delivering landmark infrastructure projects that showcase Saudi expertise

3

## 2025: Building Reputation

Implementing cutting-edge digital solutions, forging powerful international alliances, and accelerating market penetration through strategic initiatives

4

## 2023: Value Creation

Strengthening brand equity, achieving international quality & revolutionizing project delivery through advanced PMO frameworks

5

## 2021: Foundation

Implementing robust corporate governance, standardizing operational processes, and building a dynamic organizational framework

# Building Excellence in Construction
